

On November 4, 2014, the electorate of the Village of Newtown overwhelmingly approved the idea of Miami Valley Christian Academy constructing the new sports complex, subject to the successful negotiation of an agreement with the Village of Newtown.

The Council of the Village of Newtown desires to enter into an agreement with Miami Valley Christian Academy to govern the construction and operation of the new sports complex at Short Park.

The new sports complex will consist of a football field, track, baseball field and stadium, along with other improvements such as repaving the walking path, paving the existing gravel parking lot and relocating the asphalt basketball court, on the grounds of Short Park.
